

2021 Daewoong Global Scholarship Program

Application period: 2021.02.22(Mon) ~ 03.20(Sat)

Global Scholarship Program (GSP)

is an annual scholarship program that seeks outstanding international students who are currently studying in local universities in South Korea. It sponsors and nurtures them, helping them to develop into strong, confident contributing members of society that are globally qualified. GSP scholarships provide financial support during the school year so that students can focus on their studies. It also provides well-rounded internships opportunities so that students can have hands-on experiences in Korean companies. It allows students to join actual company projects to learn the process of working in their desired field. It is a program that is designed for assisting potentially global talents who are entering society to settle down after graduation.

Benefits

- 500k Won monthly scholarship during the semester (vacation is excluded)
- Internship offer during holiday (internship fee will be supported separately)
- Opportunity to gain real working experience from company projects
- Career development programs (how to write a good CV and cover letter, interview tips and successful employment cases by previous participants, etc.)
- Excellent students can receive job recommendations and a letter of recommendations after completion

Eligibility

- International students who enrolled in local university (bachelor, master, or PhD students)
- Able to communicate in Korean language (exceptions will be made only for those majoring in research related majors that are required to communicate in English ex: medicine, engineering, etc)

Results

- 2021.03.25 (To be confirmed)
