

MSE Seminar

A Thermotaxis Liquid Actuator

Prof. Hyoung Jin Cho

**(Department of Mechanical and Aerospace Engineering
University of Central Florida)**

Hyoung Jin Cho is a Professor in the Department of Mechanical and Aerospace Engineering at the University of Central Florida. He earned his PhD in Electrical Engineering from the University of Cincinnati in 2002, MS and BS in Inorganic Materials Engineering from Seoul National University in 1991 and 1989, respectively. He worked as Research Engineer at Korea Electronics Technology Institute (KETI) from 1993 to 1997. He was a recipient of NSF CAREER award in 2004. His main research interest is in the development of microscale actuators, sensors and microfluidic components based on MEMS technology.
